

TEXAS MOTORCYCLE ROADRIDERS ASSOCIATION VENDOR APPLICATION

TMRA 2009 STATE RALLY

LIMITED SPACES: This year the TMRA State Rally will be held at the City Park in Comanche, Texas. Due to the limited space for vendors we are limiting the number of types and categories of vendors this year. This will give vendors a greater opportunity to sell their products, good and services without having to compete with other vendors.

VENDOR AREAS: Placement is on a first come, first serve basis.

VENDOR CAMPING: RVs will not be allowed in the vendor area due to the location and size of the vendor area. All RVs will need to be setup outside the Park area. Tent camping may be allowed, however, tents may not block the view or access to other vendors' areas.

CHECK-IN: Check-in and setup will begin 3:00PM, Thursday, April 9, 2009 and will end Friday, April 10, 2009 at 9:00PM. No vendor will be allowed entry after that time there will be no entry or setup on Saturday.

FEE & PAYMENT: Vendor Fee for this event is \$50 for a 10 x 10; \$75 for a 10 x 20. Each additional 10 x 10 space required is \$25. Vendors may apply 50% of the fee at the time an application is submitted, however, the remaining fee balance will need to be submitted and received prior to the deadline. **DEADLINE TO MAKE APPLICATION IS MARCH 31, 2009.** Any vendor not remitting payment in full by this date will not be allowed in the event and any down-payment will be forfeited.

SILENT AUCTION: Texas Motorcycle Roadriders Association will again run an Auction. All proceeds from the Auction will be presented to a local charity. We expect that vendors will donate one item to the Auction. This item will be picked up on-site at the Rally. TMRA will provide a receipt for the donation at the vendor's request.

DISCLAIMER: The Texas Motorcycle Roadriders Association does not guarantee any vendor any amount of sales, nor is it responsible for theft, loss of or damage to property. Vendors understand they sell at their own risk and the Texas Motorcycle Roadriders Association will not assume any loss by any vendor before, during or after the event.
